PARTNERS IN EDUCATION

“WORKING TOGETHER TO ENHANCE THE TEACHING OF LATIN AMERICA”

The goal of the project is to enhance educators' Spanish language competence and to develop intercultural competence and knowledge of Latin American culture. The project has the added purpose of helping teachers create units of study for use in their classrooms and schools, and to share in their communities.

BENEFITS OF INCLUDING YOUR STUDY ABROAD EXPERIENCE

- Brings your lessons to life!
 - a. Relate to material better (story time!)
 - b. Understand things better (they are genuinely interested)
- Students get a glimpse of your personal experiences
- Narrows down the “by” of your lessons
 - a. SWBAT _____ by _____.
 - b. Authentic materials

PRE-UNIT PREPARATION
